

A stylized, light blue graphic on the left side of the slide. It depicts a pelican in the upper left, with its head and neck curved downwards. Below it, a nest is shown as a series of overlapping, light blue shapes. The overall design is minimalist and uses a monochromatic color palette.

Pelican Network

Broker Connection Requirements

Tech Integration continued

1

Test Account(s):

1. Private Username(s) & Password(s)
2. On each server
3. Funded

2

MT4 details:

1. MT4 server name
2. Server URL (domain name)
3. Top x3 public IP addresses (include port numbers)
4. Manager login with access rights: supervise trades and accountant

3

MT5 details:

1. MT5 server name
2. Server URL (domain name)
3. Top x3 public IP addresses (include port numbers)
4. Manager login with access rights: supervise trades and accountant

4

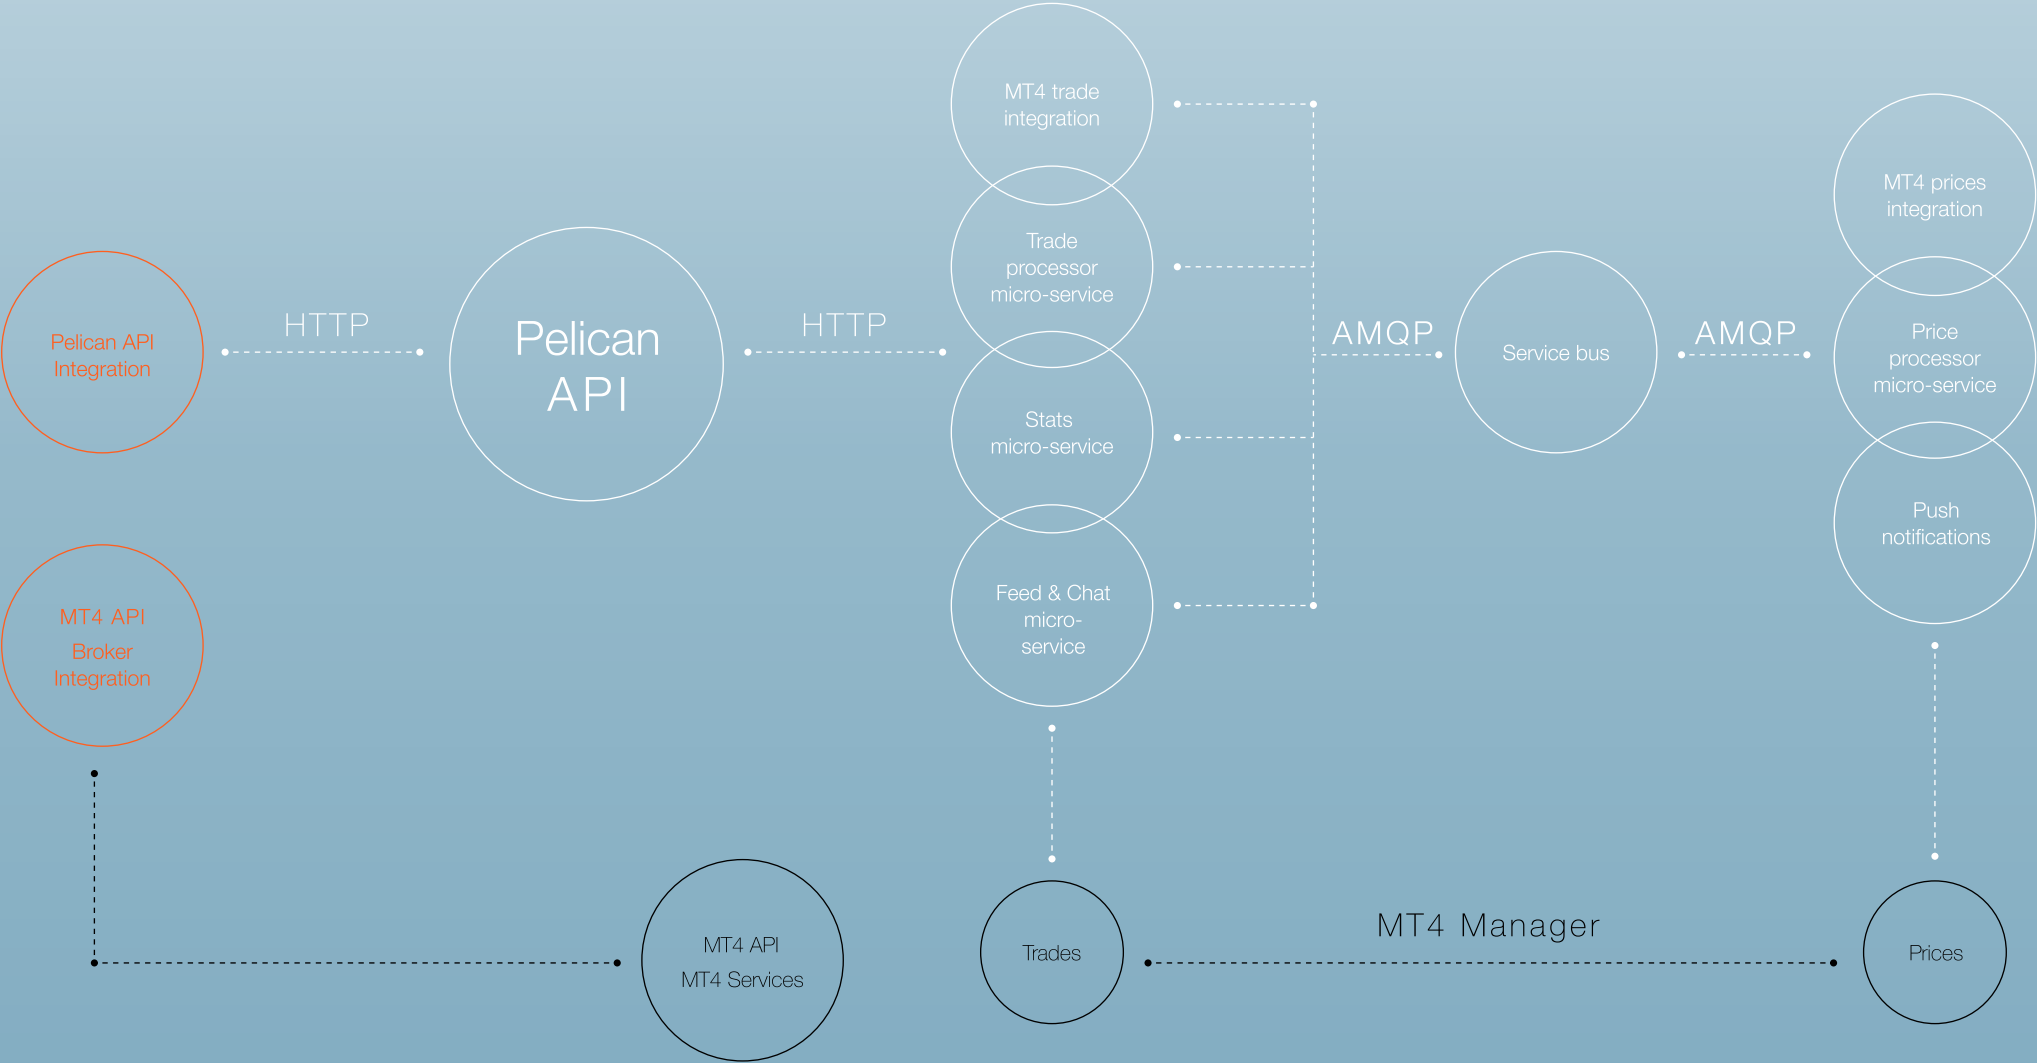

Whitelist Pelican IP addresses:

130.185.160.13	40.69.20.73	
188.230.179.18	40.69.20.76	
20.107.155.157	40.69.20.97	143.244.39.168
20.107.157.24	82.102.98.105	130.185.164.0/24
20.107.157.50	87.228.152.115	
40.127.209.69	88.98.234.27	
40.69.20.122	89.142.11.234
